Medi-Pak Advantage (PFFS)

Pharmacy Directory

This booklet provides a list of Medi-Pak Advantage (PFFS)'s network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. The inclusion of a pharmacy does not guarantee that the pharmacy is open or is at the same location listed in this directory. To get current information about Medi-Pak Advantage (PFFS) network pharmacies in your area, please visit our Web site at arkansasbluecross.com/medicareplans or call our Member Services at (866) 494-6699, 24 hours a day/7 days a week. (TTY/TDD Users should call (866) 236-1069.)

This directory was last updated on September 1, 2010. The inclusion of a pharmacy in this directory does not guarantee the pharmacy is still in the network.

Introduction

This booklet provides a list of Medi-Pak Advantage (PFFS)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Medi-Pak Advantage (PFFS)'s formulary. If you have additional questions, please call our Member Services at (866) 494-6699, 24 hours a day/7 days a week. TTY/TDD Users should call (866) 236-1069. Or visit arkansasbluecross.com/medicareplans.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Medi-Pak Advantage (PFFS). In most cases, your prescriptions are covered under Medi-Pak Advantage (PFFS) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

You are not required to use mail order prescription drug services to obtain a 90-day supply of medications. You have the choice of using retail pharmacies in our network to fill your prescriptions. All pharmacies listed in this directory offer extended-days supply of medications.

The pharmacies in this directory are grouped by type (retail, mail order, home infusion, and long-term care facility), then by counties listed alphabetically. Towns are listed alphabetically under the appropriate county. Pharmacies are listed alphabetically under each town, with their addresses and telephone numbers.
