**BlueMedicare Premier (HMO), BlueMedicare Independence (HMO), BlueMedicare Classic Plus (HMO), BlueMedicare Saver Choice (PPO), BlueMedicare Premier Choice (PPO), BlueMedicare Preferred (PFFS), BlueMedicare Premier Rx (PDP), BlueMedicare Value Rx (PDP)**

This Pharmacy Directory was updated on April 1, 2024. For more recent information or other questions, please contact Arkansas Blue Medicare Customer Service at **1-844-463-1088** (TTY users should call **711**). Hours are 8:00 a.m. to 8:00 p.m. Central, Monday through Friday (April 1 through September 30). From October 1 through March 31, our hours are 8:00 a.m. to 8:00 p.m. Central, seven days a week, or visit [www.arkbluemedicare.com](http://www.arkbluemedicare.com).

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [www.arkbluemedicare.com](http://www.arkbluemedicare.com). You may also call Customer Service at **1-844-463-1088** (TTY users should call **711**) for updated information.

**Introduction:** This booklet provides a list of Arkansas Blue Medicare’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and BlueMedicare Premier (HMO), BlueMedicare Independence (HMO), BlueMedicare Classic Plus (HMO), BlueMedicare Saver Choice (PPO), BlueMedicare Premier Choice (PPO), BlueMedicare Preferred (PFFS), BlueMedicare Premier Rx (PDP), and BlueMedicare Value Rx (PDP)’s Formulary.

When this Pharmacy Directory refers to “we,” “us,” or “our,” it means Arkansas Blue Medicare. When it refers to “plan” or “our plan,” it means BlueMedicare Premier (HMO), BlueMedicare Independence (HMO), BlueMedicare Classic Plus (HMO), BlueMedicare Saver Choice (PPO), BlueMedicare Premier Choice (PPO), BlueMedicare Preferred (PFFS), BlueMedicare Premier Rx (PDP), and BlueMedicare Value Rx (PDP).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of April 1, 2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail-order section of this Pharmacy Directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

## Mail Order Pharmacy

### **AllianceRx Walgreens Pharmacy**

(800) 636-1319 (TTY users:711)

24 hours a day, seven days a week

[www.alliancerxwp.com](http://www.alliancerxwp.com)

### **CVS Caremark**

1-844-280-5833 (TTY: 711)

24 hours a day, seven days a week

[www.caremark.com](http://www.caremark.com)

You can get prescription drugs shipped to your home through our network mail-order delivery program.

If you have used mail-order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail-order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail-order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 12 to 15 business days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling one of the customer service phone numbers above, 24 hours a day, seven days a week.

Typically, you should expect to receive your prescription drugs seven to ten business days from the time that the mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact your mail-order pharmacy by calling their customer service phone number shown above, 24 hours a day, seven days a week.
