

Blue Wellness Rewards

ARHOME members can earn valuable rewards for completing eligible activities. The Blue Wellness Rewards program offers rewards based on individual health recommendations.

How does it work?

- Visit blue.wellthrewards.com.
- Enter your phone number, date of birth and zip code.
- Check your email for a message from Wellth to confirm your account creation.

After you create your account and finish a suggested health activity, you will receive a Wellth Rewards card in the mail.

Every time you finish one of the activities listed below and mark it complete in your account, money gets added to your card. You can use that money to buy food, gas or things you need at home.

Rewards Chart Complete these activities & more to earn Blue Wellness Rewards*
