

Changes to the
BlueMedicare PPO
2023
Summary of Benefits

This is important information on changes in your BlueMedicare PPO coverage.

We previously provided you a Summary of Benefits (SB), which provided an overview of coverage as an enrollee in one of our PPO plans. This notice is to let you know about change(s) to the SB. Below you will find information describing the change(s). Please keep this information for your reference. Updated SBs can be found on our website at www.arkbluemedicare.com.

Change(s) to the SB

Impacted Plans	Original Information	Updated Information (found in the Prescription Drug Benefits chart)	What does this mean for you?
BlueMedicare Saver Choice (PPO) H3554-002	New information was added to the SB due to the passage of the Inflation Reduction Act of 2022.	Important Message About What You Pay for Vaccines – Our plan covers most Part D vaccines at no cost to you, even if you haven’t paid your deductible. Call Customer Service for more information.	Certain adult vaccinations on our Formulary/Drug List (e.g., the tetanus vaccine) will be covered at a \$0 copay, and the Part D deductible will not apply to these vaccinations.
BlueMedicare Value Choice (PPO) H3554-004
