

# Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-855-591-9794** (TTY: **711**).

I have reviewed the Pre-Enrollment Checklist with a licensed representative. Initial Here: \_\_\_\_\_

## Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.arkbluemedicare.com](http://www.arkbluemedicare.com) or call **1-855-591-9794** (TTY: **711**) to view a copy of the EOC.
- Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- For plans that offer prescription drug coverage:** Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- For plans that offer prescription drug coverage:** Review the Formulary to make sure your drugs are covered.

## Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2025.
- For HMOs that do not offer out-of-network coverage:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

- For PPOs and PFFS plans that offer out-of-network coverage:** Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- Reviewing and/or completing this pre-enrollment checklist will not affect your current or future coverage.
