## SECTION 1 We Are Changing the Plan's Name

On January 1, 2021, our plan name will change from Medi-Pak Advantage MA (PFFS) to BlueMedicare Value (PFFS).

You will receive a new ID card **in the U.S. Mail. Your new ID card** will have your existing member ID number, the new BlueMedicare Value (PFFS) name, logo and new address. Customer Service numbers will **not change**.

## SECTION 2 Changes to Benefits and Costs for Next Year

### Section 2.1 – Changes to the Monthly Premium

| Cost  | 2020 (this year) | 2021 (next year) |
|---|------------------|------------------|
| <b>Monthly premium</b>  | \$22             | \$29             |
| (You must also continue to pay your Medicare Part B premium.) |                  |                  |

### Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

| Cost  | 2020 (this year) | 2021 (next year)   |
|---|------------------|--|
| <b>Maximum out-of-pocket amount</b>   | \$6,700          | \$7,500  |
| Your costs for covered medical services (such as copays and deductibles) count toward your maximum out-of-pocket amount. Your plan premium does not count toward your maximum out-of-pocket amount. |                  | Once you have paid \$7,500 out-of-pocket for covered services, you will pay nothing for your covered services for the rest of the calendar year. |

## Section 2.3 – Changes to the Provider Network

---

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at [www.arkbluemedicare.com](http://www.arkbluemedicare.com). You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2021 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider to manage your care.

## SECTION 4 Deciding Which Plan to Choose

### Section 4.1 – If you want to stay in BlueMedicare Value (PFFS)

**To stay in our plan you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our BlueMedicare Value (PFFS).

### Section 4.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2021 follow these steps:

#### **Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan timely,
- -- *OR*-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, a potential Part D late enrollment penalty could apply.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2021*, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare). **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Arkansas Blue and Cross Blue Shield offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

#### **Step 2: Change your coverage**

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from BlueMedicare Value (PFFS).
- To **change to Original Medicare and add a Medicare prescription drug plan or change to a different drug plan**, you must:
  - Send us a written request to disenroll from BlueMedicare Value (PFFS) or contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048. Contact Customer Service if you need more information on how to disenroll (phone numbers are in Section 7.1 of this booklet);

- – *and* – Contact the Medicare prescription drug plan that you want to enroll in and ask to be enrolled.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet);
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## SECTION 5 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2021.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.3 of the *Evidence of Coverage*.

If you enrolled in a Medicare Advantage plan for January 1, 2021, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2021. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.

## SECTION 6 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Arkansas, the SHIP is called Senior Health Insurance Information Program.

Senior Health Insurance Information Program is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Senior Health Insurance Information Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Senior Health Insurance Information Program at 1-800-224-6330. You can learn more about Senior Health Insurance Information Program by visiting their website (<https://insurance.arkansas.gov/pages/consumer-services/senior-health>).
