Our service area for **BlueMedicare Saver Choice (PPO)** includes the following Arkansas counties:

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-201-4934 (TTY: 711)**.

---

### Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit **[www.arkbluemedicare.com](http://www.arkbluemedicare.com)** or call **1-844-201-4934 (TTY: 711)** to view a copy of the EOC.
  - Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
  - Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- 

### Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
  - Benefits, premiums and/or copayments/co-insurance may change on January 1, 2022.
  - Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
-

The benefit information provided is a summary of what we cover and what you pay. To get a complete list of services we cover, call us and ask for the “**Evidence of Coverage**.” You may also view the “Evidence of Coverage” for this plan on our website, [www.arkbluemedicare.com](http://www.arkbluemedicare.com).

If you want to know more about the coverage and costs of Original Medicare, look in the current “Medicare & You” handbook. View it online at [www.medicare.gov](http://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

## Prescription Drug Benefits

**Pharmacy (Part D) Deductible** This plan has a \$385 deductible for Tier 3, 4 and 5 drugs. You pay the full cost of these drugs until you reach \$385. Then, you only pay your share of the cost. You begin in this stage when you fill your first prescription of the year in Tiers 3, 4, and 5.

**Initial coverage stage** (after you pay your deductible, if applicable) During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. You remain in this stage until your total yearly drug costs (total drug costs paid by you and our plan) reach **\$4,130**. Once you reach this amount, you will enter the Coverage Gap. You may get your drugs at network retail pharmacies and mail order pharmacies.

	Retail		Mail order	
	30-day supply	Up to 100-day supply	30-day supply	Up to 100-day supply
<b>Tier 1:</b> Preferred Generic	\$3	\$6	\$3	\$0
<b>Tier 2:</b> Generic	\$10	\$20	\$10	\$0
<b>Tier 3:</b> Preferred Brand	\$47	\$94	\$47	\$94
<b>Tier 4:</b> Non-Preferred Drug	50%	50%	50%	50%
<b>Tier 5:</b> Specialty Tier	26%	26%	26%	26%
<b>Tier 6:</b> Select Care Drugs Tier	\$0	\$0	\$0	\$0

### Coverage gap stage

Most Medicare drug plans have a coverage gap (also called the "donut hole"). In the coverage gap, there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what you have paid and our plan has paid) reaches **\$4,130**. You stay in this stage until your total year drug costs reach **\$6,550**.

During the coverage gap:

- You pay the same copays that you paid in the initial coverage stage for drugs in Tier 6 (Select Care Drugs Tier)
- For drugs in all other tiers, you pay 25% of the cost

### Catastrophic coverage stage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacies and mail order) reach **\$6,550**, you pay the greater of:

- 5% of the cost, or
- \$3.70 copay for generic (including brand drugs treated as generic) and a \$9.20 copay for all other drug

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

## Additional Drug Coverage

### Tier 6 Drug Benefit

**\$0** copays for specialized drugs aimed at improving medication adherence for certain chronic conditions, such as high blood pressure, high cholesterol, and diabetes. This tier also includes coverage for typically non-covered Medicare drugs for erectile dysfunction and weight loss.
