SECTION 1 Introduction

Section 1.1	This chapter focuses on ending your membership in our plan
--------------------	---

Ending your membership in BlueMedicare Value (PFFS) may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you have decided that you *want* to leave.
 - There are only certain times during the year, or certain situations, when you may voluntarily end your membership in the plan. Section 2 tells you *when* you can end your membership in the plan.
 - The process for voluntarily ending your membership varies depending on what type of new coverage you are choosing. Section 3 tells you *how* to end your membership in each situation.
- There are also limited situations where you do not choose to leave, but we are required to end your membership. Section 5 tells you about situations when we must end your membership.

If you are leaving our plan, you must continue to get your medical care through our plan until your membership ends.

SECTION 2 When can you end your membership in our plan?

You may end your membership in our plan only during certain times of the year, known as enrollment periods. All members have the opportunity to leave the plan during the Annual Enrollment Period and during the Medicare Advantage Open Enrollment Period. In certain situations, you may also be eligible to leave the plan at other times of the year.

Section 2.1	You can end your membership during the Annual Enrollment Period
--------------------	--

You can end your membership during the **Annual Enrollment Period** (also known as the “Annual Open Enrollment Period”). This is the time when you should review your health coverage and make a decision about your coverage for the upcoming year.

- **When is the Annual Enrollment Period?** This happens from October 15 to December 7.
- **What type of plan can you switch to during the Annual Enrollment Period?** You can choose to keep your current coverage or make changes to your coverage for the upcoming year. If you decide to change to a new plan, you can choose any of the following types of plans:

Chapter 8. Ending your membership in the plan

- Another Medicare health plan (You can choose a plan that covers prescription drugs or one that does not cover prescription drugs.);
- Original Medicare *with* a separate Medicare prescription drug plan;
- – *or* – Original Medicare *without* a separate Medicare prescription drug plan.
- **What do you need to do to switch plans?**
 - If you want to switch to Original Medicare: You must ask to disenroll from our plan. For more information on how to request disenrollment contact Customer Service (phone numbers are printed on the back cover of this booklet). You may also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, to request disenrollment from our plan. TTY users should call 1-877-486-2048.
 - If you are currently enrolled in a separate Medicare prescription drug plan:
 - Leaving our plan will not affect your enrollment in your drug plan.
 - If you want to join a new drug plan, you must request enrollment in the new drug plan of your choice. Switching your Medicare prescription drug plan will *not* automatically disenroll you from our plan.
 - If you do not have Medicare prescription drug coverage with another plan, you can join another Medicare health plan that does not offer drug coverage or you can switch to Original Medicare.
- **When will your membership end?** Your membership will end when your new plan's coverage begins on January 1.

Section 2.2 You can end your membership during the Medicare Advantage Open Enrollment Period

You have the opportunity to make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period**.

- When is the Medicare Advantage Open Enrollment Period? This happens every year from January 1 to March 31.
- **What type of plan can you switch to during the Medicare Advantage Open Enrollment Period?** During this time, you can:
 - Switch to another Medicare Advantage Plan. (You can choose a plan that covers prescription drugs or one that does not cover prescription drugs.)
 - Disenroll from our plan and obtain coverage through Original Medicare. If you are enrolled in a separate Medicare prescription drug plan, you may not cancel that coverage when you switch to Original Medicare.
- **When will your membership end?** Your membership will end on the first day of the month after you enroll in a different Medicare Advantage plan or we get your request to switch to Original Medicare.

Section 2.3	In certain situations, you can end your membership during a Special Enrollment Period
--------------------	--

In certain situations, members of BlueMedicare Value (PFFS) may be eligible to end their membership at other times of the year. This is known as a **Special Enrollment Period**.
