Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-877-349-9335 (TTY: 711)**.

Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit **www.hamedicare.com** or call **1-877-349-9335 (TTY: 711)** to view a copy of the EOC.
 - Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
 - Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
-

Understanding important rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
 - Benefits, premiums, and/or copayments/co-insurance may change on January 1, 2023.
 - Except in emergency or urgent situations, we do not cover services from out-of-network providers (doctors who are not listed in the provider directory).
-

The benefit information provided is a summary of what we cover and what you pay. To get a complete list of services we cover, call us and ask for the “**Evidence of Coverage**.” You may also view the “Evidence of Coverage” for this plan on our website at **www.hamedicare.com**.

If you want to know more about the coverage and costs of Original Medicare, look in the current “Medicare & You” handbook. View it online at **www.medicare.gov** or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
