**Nota a los miembros existentes:** Esta lista de medicamentos aprobados se ha modificado desde el año pasado. Revise este documento para asegurarse de que aún contenga los medicamentos que usted usa.

Cuando esta lista de medicamentos (lista de medicamentos aprobados) dice “nosotros”, “nos” o “nuestro” significa Arkansas Blue Medicare. Cuando se refiere a “plan” o “nuestro plan”, significa BlueMedicare Classic (HMO).

Este documento incluye una lista de los medicamentos (lista de medicamentos aprobados) de nuestro plan que tiene vigencia desde el 01 de diciembre de 2023. Para obtener una lista de medicamentos aprobados actualizada, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización de la lista de medicamentos aprobados, aparece en las páginas de portada y contraportada.

Generalmente, usted debe usar farmacias de la red para usar su beneficio de medicamentos con receta médica. Los beneficios, la lista de medicamentos aprobados, la red de farmacias o los copagos/coseguros pueden cambiar el 1 de enero de 2023 y, ocasionalmente, durante el año.

## **¿Qué es la lista de medicamentos aprobados de BlueMedicare Classic (HMO)?**

Una lista de medicamentos aprobados es una lista de medicamentos cubiertos seleccionados por BlueMedicare Classic (HMO) junto con un equipo de proveedores de atención médica, que representa las terapias con receta médica que se consideran parte necesaria de un programa de tratamiento de calidad. BlueMedicare Classic (HMO) generalmente cubrirá los medicamentos que figuran en nuestra lista de medicamentos aprobados, siempre que el medicamento sea necesario desde el punto de vista médico, que la receta se surta en una farmacia de la red de BlueMedicare Classic (HMO) y que se cumplan las demás reglas del plan. Para obtener más información sobre cómo surtir sus recetas, revise su Evidencia de cobertura.

## **¿La lista de medicamentos aprobados (lista de medicamentos) puede cambiar?**

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero podemos agregar o eliminar medicamentos en la Lista de medicamentos durante el año, trasladarlos a diferentes niveles de participación en los costos o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al realizar estos cambios.

**Cambios que le pueden afectar este año:** En los siguientes casos, usted se verá afectado por los cambios de cobertura durante el año:

- **Nuevos medicamentos genéricos.** Podemos eliminar de inmediato un medicamento de marca incluido en nuestra lista de medicamentos si lo reemplazamos por un nuevo medicamento genérico que aparezca con el mismo nivel de participación en los costos, o con una participación en los costos menor y con las mismas restricciones, o menos. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de medicamentos, pero moverlo inmediatamente a un nivel de costos compartidos diferente o agregar nuevas restricciones. Si actualmente está usando ese medicamento de marca, es posible que no le informemos con anticipación antes de hacer ese cambio, pero luego le brindaremos información sobre los cambios específicos que hemos realizado.
  - Si hacemos dicho cambio, usted o la persona encargada de extender la receta pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca para usted. El aviso que le proporcionemos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la siguiente sección titulada “¿Cómo solicito una excepción a la lista de medicamentos aprobados de BlueMedicare Classic (HMO)?”.

- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento de nuestra lista de medicamentos aprobados no es seguro o el fabricante del medicamento lo retira del mercado, inmediatamente lo eliminaremos de nuestra lista de medicamentos aprobados y notificaremos a los miembros que usan el medicamento.
- **Otros cambios.** Es posible que hagamos otros cambios que afecten a los miembros que actualmente usan un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no sea nuevo en el mercado para reemplazar un medicamento de marca actualmente incluido en la lista de medicamentos aprobados o agregar nuevas restricciones al medicamento de marca o pasarlo a un nivel de participación en los costos diferente o ambos. O podemos hacer cambios basados en nuevas pautas clínicas. Si eliminamos medicamentos de nuestra lista de medicamentos aprobados o agregamos autorizaciones previas, límites de cantidad y/o restricciones de terapia de pasos en un medicamento, o pasamos un medicamento a un nivel de participación en los costos más alta, debemos notificar el cambio a los miembros afectados al menos 30 días antes de que el cambio entre en vigencia, o en el momento en que el miembro solicite una reposición del medicamento, momento en que el miembro recibirá un suministro del medicamento para 30 días.
  - Si realizamos estos otros cambios, usted o la persona encargada de extender la receta pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca para usted. El aviso que le proporcionemos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la siguiente sección titulada “¿Cómo solicito una excepción a la lista de medicamentos aprobados de BlueMedicare Classic (HMO)?”.

**Cambios que no le afectarán si actualmente está tomando el medicamento.** Por lo general, si está tomando un medicamento de nuestra lista de medicamentos aprobados 2023 que estaba cubierto a principios del año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2023, excepto como se describió anteriormente. Esto significa que estos medicamentos permanecerán disponibles con la misma participación en los costos y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. Este año no recibirá un aviso directo sobre los cambios que no le afecten. Sin embargo, el 1 de enero del próximo año, tales cambios le afectarán y es importante que consulte la Lista de medicamentos para el nuevo año de beneficios para ver si existen cambios en los medicamentos.

La lista de medicamentos aprobados adjunta tiene vigencia desde el 01 de diciembre de 2023. Para obtener información actualizada sobre los medicamentos cubiertos por BlueMedicare Classic (HMO), comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de portada y contraportada. La lista de medicamentos aprobados se actualiza todos los meses con los cambios aplicables, incluidos los cambios negativos, y se publica en nuestro sitio web. Nuestro sitio web aparece en las páginas de portada y contraportada.

## ¿Cómo utilizo la lista de medicamentos aprobados?

Hay dos maneras de encontrar su medicamento en la lista de medicamentos aprobados:

## **Afección médica**

La lista de medicamentos aprobados comienza en la página 1. Los medicamentos en esta lista de medicamentos aprobados están agrupados en categorías según el tipo de afecciones médicas para las que se usan. Por ejemplo, los medicamentos usados para tratar una afección cardíaca se enumeran en la categoría “Agentes cardiovasculares”. Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página número 1. Luego, busque su medicamento debajo del nombre de la categoría.

## **Listado alfabético**

Si no está seguro de la categoría en la que buscar, debe buscar su medicamento en el índice que comienza en la página 117. El índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. El índice incluye los medicamentos de marca y los medicamentos genéricos. Busque en el índice y encuentre su medicamento. Al lado de su medicamento, verá el número de página donde puede encontrar información de cobertura. Vaya a la página que figura en el índice y encuentre el nombre de su medicamento en la primera columna de la lista.

## **¿Qué son los medicamentos genéricos?**

BlueMedicare Classic (HMO) cubre medicamentos de marca y medicamentos genéricos. Un medicamento genérico está aprobado por la FDA como medicamento que contiene el mismo ingrediente activo que el medicamento de marca. En general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

## **¿Existen restricciones en mi cobertura?**

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales de cobertura. Estos requisitos o límites pueden incluir los siguientes:

- **Autorización previa:** BlueMedicare Classic (HMO) requiere que usted o su médico obtengan autorización previa para determinados medicamentos. Esto significa que usted debe obtener la aprobación de BlueMedicare Classic (HMO) antes de surtir sus recetas médicas. Si no obtiene la aprobación, es posible que BlueMedicare Classic (HMO) no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, BlueMedicare Classic (HMO) limita el monto del medicamento que cubrirá BlueMedicare Classic (HMO). Por ejemplo, BlueMedicare Classic (HMO) proporciona 60 comprimidos/30 días por receta para el Losartan 25 mg. Esto puede ser adicional a un suministro estándar para un mes o tres meses.
- **Terapia de pasos:** en algunos casos, BlueMedicare Classic (HMO) le exige que primero pruebe determinados medicamentos para tratar su afección médica antes de cubrir otro medicamento para la misma afección. Por ejemplo, si el medicamento A y el medicamento B tratan su afección médica, es posible que BlueMedicare Classic (HMO) no cubra el medicamento B a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, BlueMedicare Classic (HMO) cubrirá el medicamento B.

Puede averiguar si su medicamento tiene algún requisito o límite adicional buscando en la lista de medicamentos aprobados que comienza en la página 1. También puede obtener más información sobre las restricciones que se aplican a medicamentos específicos cubiertos visitando nuestro sitio web. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia de pasos. También puede pedirnos que le envíemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización de la lista de medicamentos aprobados, aparece en las páginas de portada y contraportada.

Puede pedirle a BlueMedicare Classic (HMO) que haga una excepción a estas restricciones o límites, o solicitar una lista de otros medicamentos similares que puedan tratar su afección médica.

Consulte la sección “¿Cómo solicito una excepción a la lista de medicamentos aprobados de BlueMedicare Classic (HMO)?” en la siguiente página para obtener información sobre cómo solicitar una excepción.

## **¿Qué sucede si mi medicamento no está en la lista de medicamentos aprobados?**

Si su medicamento no está incluido en esta lista de medicamentos aprobados (lista de medicamentos cubiertos), debe comunicarse primero con el servicio de atención al cliente y preguntar si su medicamento está cubierto.

Si efectivamente BlueMedicare Classic (HMO) no cubre su medicamento, usted tiene dos opciones:

- Puede solicitar al servicio de atención al cliente una lista de medicamentos similares que estén cubiertos por BlueMedicare Classic (HMO). Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por BlueMedicare Classic (HMO).
- Puede pedir a BlueMedicare Classic (HMO) que haga una excepción y cubra el medicamento para usted. Consulte a continuación la información sobre cómo solicitar una excepción.

## **¿Cómo solicito una excepción a la lista de medicamentos aprobados de BlueMedicare Classic (HMO)?**

Puede pedir a BlueMedicare Classic (HMO) que haga una excepción a nuestras normas de cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede pedirnos que cubramos un medicamento, incluso si no está en nuestra lista de medicamentos aprobados. Si se aprueba, este medicamento estará cubierto con un nivel de participación en los costos predeterminado, y usted no podrá pedirnos que proporcionemos el medicamento con un nivel de participación en los costos más bajo.
- Puede pedirnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo, a menos que el medicamento esté en nuestro nivel de especialidad de costo compartido más bajo. Para los medicamentos del formulario que se encuentran en el nivel de especialidad de costo compartido más alto, puede solicitar cobertura en el nivel de especialidad de costo compartido más bajo. Si se aprueba, esto reduciría la cantidad que debe pagar por su medicamento.

- Puede pedirnos que suspendamos las restricciones de cobertura o los límites de su medicamento. Por ejemplo, para determinados medicamentos, BlueMedicare Classic (HMO) limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que no apliquemos el límite y cubramos una cantidad mayor.

En general, BlueMedicare Classic (HMO) solamente aprobará su solicitud de excepción si los medicamentos alternativos incluidos en la lista de medicamentos aprobados del plan, el medicamento de participación en los costos más baja o las restricciones de utilización adicionales no serían tan efectivos en el tratamiento de su afección y/o le causarían efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión de cobertura inicial para una lista de medicamentos aprobados o una excepción de restricción de utilización. **Cuando solicite una excepción de la lista de medicamentos aprobados o de la restricción de utilización, debe enviar una declaración del profesional que extiende la receta o del médico que respalte su solicitud.** En general, debemos tomar una decisión dentro de las 72 horas posteriores a la recepción de la declaración de respaldo de la persona que extiende la receta. Puede solicitar una excepción acelerada (rápida) si usted o su médico creen que su salud podría verse seriamente perjudicada al esperar hasta 72 horas por una decisión. Si se concede su solicitud de aceleración, debemos comunicarle una decisión a más tardar 24 horas después de que recibamos una declaración de respaldo de su médico u otra persona encargada de extender la receta.

## **¿Qué debo hacer antes de poder hablar con mi médico sobre cambiar mis medicamentos o solicitar una excepción?**

Como miembro nuevo o anterior de nuestro plan, es posible que esté usando medicamentos que no están en nuestra lista de medicamentos aprobados. O bien, puede estar usando un medicamento que está en nuestra lista de medicamentos aprobados, pero su capacidad de obtenerlo es limitada. Por ejemplo, es posible que necesite una autorización previa de nuestra parte antes de que pueda surtir su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado que cubramos o solicitar una excepción a la lista de medicamentos aprobados para que cubramos el medicamento que usted usa. Mientras habla con su médico para determinar el curso de acción correcto para usted, podemos cubrir su medicamento en determinados casos durante los primeros 90 días que sea miembro de nuestro plan.

Para cada uno de sus medicamentos que no esté en nuestra lista de medicamentos aprobados, o si su capacidad de obtener sus medicamentos es limitada, cubriremos un suministro temporal para 30 días. Si su receta fue extendida por menos días, le permitiremos múltiples reposiciones para proporcionar como máximo un suministro de medicamento para 30 días. Después de su primer suministro para 30 días, no pagaremos estos medicamentos, incluso si ha sido miembro del plan por menos de 90 días.

Si usted es residente de un centro de atención de largo plazo y necesita un medicamento que no está en nuestra lista de medicamentos aprobados o si su capacidad para obtener sus medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras solicita una excepción a la lista de medicamentos aprobados.

Es posible que debido a cambios usted pase de un tipo de tratamiento a otro. Durante este cambio de nivel de atención, se pueden recetar medicamentos que no estén cubiertos por su plan. Si esto sucede, usted y su médico deben usar los procesos de excepción y apelaciones de su plan. Sin embargo, cuando sea admitido a un tipo de atención de largo plazo, o dado de alta de ella, es posible que no tenga acceso a los medicamentos que le administraban anteriormente. Puede obtener una nueva reposición en el momento de la admisión o el alta hospitalaria para evitar una interrupción la atención.
