Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-201-4934** (TTY: **711**).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **www.arkbluemedicare.com** or call **1-844-201-4934** (TTY: **711**) to view a copy of the EOC.
- Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the Formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2024.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher cost share for services received by non-contracted providers.

The benefit information provided is a summary of what we cover and what you pay. To get a complete list of services we cover, call us, and ask for the “Evidence of Coverage.” You may also view the “Evidence of Coverage” for this plan on our website at **www.arkbluemedicare.com**.

If you want to know more about the coverage and costs of Original Medicare, look in the current “Medicare & You” handbook. View it online at **www.medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, seven days a week. TTY users should call **1-877-486-2048**.
