BlueMedicare Classic Plus (HMO)
2023 Pharmacy Directory

This pharmacy directory was updated on December 1, 2023. For more recent information or other questions, please contact BlueMedicare Classic (HMO) and BlueMedicare Classic Plus (HMO) Customer Service, at 1-888-249-1595 or, for TTY users, 711, 24 hours a day/7 days a week, or visit www.arkbluemedicare.com.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.arkbluemedicare.com. You may also call Customer Service for updated information.

Introduction

This booklet provides a list of BlueMedicare Classic (HMO) and BlueMedicare Classic Plus (HMO)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and BlueMedicare Classic (HMO) and BlueMedicare Classic Plus (HMO)'s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under BlueMedicare Classic (HMO) and BlueMedicare Classic Plus (HMO) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of December 1, 2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact BlueMedicare Classic (HMO) and BlueMedicare Classic Plus (HMO).

Pharmacies are listed alphabetically by city and by type of pharmacy. The types of pharmacies in this directory appear in this order:

- Mail Order Pharmacy
- Retail Pharmacies, Including Chain Pharmacies
- Long-term Care Pharmacies
- Home Infusion Pharmacies

Under each listing we also list additional pharmacy features. These features are identified on each page with the following key:

- **100** = 100-day supply. These are retail pharmacies that offer an extended (100-day) supply of medications.
- **24HR** = Pharmacy is open 24-hours.
- **eRX** = Pharmacy accepts electronic prescriptions from prescribers.
