Section 1 – Introduction

This directory provides a list of BlueMedicare PFFS's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Network providers are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities in which we have signed contracts to deliver covered services to members in our plan. These providers have already agreed to see members of our plan.

You will have to choose one of our network providers listed in this directory to be your **PPrimary CCare Provider (PCP)**. Generally, you must get your health care services from your PCP.

We have network providers for all services covered under original Medicare and some services not covered by original Medicare. You may still receive covered services from out-of-network providers who do not have a signed contract with our plan, as long as those providers agree to accept our plan's terms and conditions of payment. You may visit our website at: arkbluemedicare.com for more information about PFFS plan payments. You may see providers not listed in this directory as long as they agree to accept BlueMedicare PFFS's terms and conditions, although your out-of-pocket costs may be higher.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

BlueMedicare PFFS does not require enrollees or their providers to obtain a referral or authorization from our plan as a condition for covering medically necessary services that are covered by our plan. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

Providers that accept BlueMedicare PFFS's terms and conditions have agreed to bill BlueMedicare PFFS for the services. In cases where non-contracting providers submit a bill directly to you, do **not** pay the bill. Please mail your itemized bill along with your name and contract number to us so we can review it for payment. Mail the information to:

BlueMedicare PFFS
P.O. Box 3648
Little Rock, AR 72203

You may get covered emergency medical care whenever you need it, worldwide. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health.

You may get urgently needed services from a network provider or from any out-of-network provider who is willing to furnish services as a deemed provider. This care can be received at urgent care centers, providers' offices or hospitals.
