Section 1 – Introduction

This directory provides a list of Blue Medicare Classic Plus HMO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Network providers are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities we have signed contracts with to deliver covered services to members in our plan. These providers have already agreed to see members of our plan.

You will have to choose one of our network providers listed in this directory to be your **Prietary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. When you become a member of our Plan, you must choose a plan provider to be your PCP. If you do not select a PCP, we will assign a PCP to you. For more information regarding PCP selection and what a PCP will do for you, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

In cases where non-contracting providers submit a bill directly to you, do **not** pay the bill. Please mail your itemized bill along with your name and contract number to us so we can review it for payment. Mail the information to:

Blue Medicare Classic Plus HMO
P.O. Box 3648
Little Rock, AR 72203

You may get covered emergency medical care whenever you need it, worldwide. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. For more information, please see your Evidence of Coverage (EOC).

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Blue Medicare Classic and Classic Plus HMO's will be responsible for the costs.
