MAC (Maximum Allowable Charge) – the maximum amount Preferred network dentists will charge the member for a covered dental service. This MAC may be updated periodically and is subject of change. For those providers who sign a participating agreement with Arkansas Blue Cross and Blue Shield agree to accept the Arkansas Blue Cross and Blue Shield Dental Fee schedule. (Note: this is the FEP Maximum Allowable charges.)

When members use a preferred network dentist, the member pays the difference between the FEP fee schedule and the MAC charge.
